

# What are we about?

## *Our Mission:*

To create multimedia solutions that positively impact our world, one community at a time.

ElkayMedia was born out of a passion for media production and the desire to make it accessible to individuals and small businesses.

We also recognize the special needs of the church in this technological age and look forward to serving in any way we can.

With over 45 years of combined media experience, you can trust us to give your project the professional treatment it deserves.

ElkayMedia serves central and southeastern Virginia and the Shenandoah Valley.

# Every Church Has A Story To Tell

*History Videos*

*The hands that built.  
The hearts that gave.  
The lives that were shared.*

*Building a church isn't like building a business - you're creating a close-knit community. That's why the history of a church can be as meaningful and personal as one's own family history. Regardless of whether your church has been around for 5 years or 105, ElkayMedia wants to help you preserve the story of your institution.*

#### **History Video Packages**

Because different churches have different needs, ElkayMedia has developed packages for any budget.

ElkayMedia will use royalty-free music for your production. The finished product will be delivered on DVD with a custom case. Extra DVDs will be available at \$20 a piece with volume discounts over 10. We also offer a bundle where churches can purchase DVDs in

bulk at a substantial discount, allowing them to recoup production costs by selling the DVDs at a profit. In addition to our existing packages, we also welcome the opportunity to create custom packages. We would love the
